Bombay Exhibition Centre,
Goregaon (E), Mumbai, India

Concurrent Seminar:

**"Innovation and
Technological Growth
in Dairy Industry"**

Koelnmesse YA Tradefair Pvt. Ltd.

"India" - Land of Business Opportunities

Population : Over 1.24 billion

GDP : Over US\$ 1.85 trillion

GDP Growth : ~6.5%

The Tradefair

After the successful previous edition of India International Dairy Expo (IIDE) concurrent to Dairy Industry conference in 2017, Indian Dairy Association, West Zone, IDA (WZ) & Koelnmesse YA Tradefair Pvt. Ltd. is once again inviting all the stake holders of the dairy fraternity to be part of this important exhibition during April 3-5, 2019 at the Bombay Convention & Exhibition Center (BCEC), Mumbai. Concurrent to this exhibition, a technical seminar on **"Innovation & Technological Growth in the Dairy Industry"** will be organized by IDA (WZ).

This exhibition will be an ideal platform for showcasing latest and most innovative products and services for the Dairy Industry and also offer an opportunity to interact with the decision makers and who's who of the dairy fraternity not only from India but from the neighboring countries as well. This exhibition covers the complete spectrum of the dairy industry from dairy plant & machinery, veterinary medicines, biological needs, feed ingredients, IT, financial and allied services, etc.

Statistics of Indian Dairy Industry

- India is Contributing about 20% of World's Milk Production
- Indian milk industry is growing @ 4.5% compared to world growth rate of 1.8%
- India ranks first among the milk producing nations achieving an annual output of 167 Mn Tonnes during the year 2016-17.
- Indian industry is currently pegged at USD 70 billion (both organised & unorganised) & expected to double by 2020
- Milk production is projected to reach 200 Million Tonnes by 2018 of which 75% will be produced for domestic consumption and 25% will be produced for export

Dairy Industry – offering seamless business opportunities

India - Worlds Largest producer of milk, accounting for around 20% of totals world's total milk population is also the worlds largest consumer of dairy products.

The factors like

- Increasing population (currently over 1.24bn)
- increase in urbanization & increased disposable income
- health conscious society
- growth in cold chain infrastructure in India
- growth in the value - added products market
- milk being one of the important ingredients in Indian Food
- increase in consumption of milk based products like ice - creams, cheese, sweets etc.

clearly indicate on the tremendous business opportunities in the dairy industry.

THE FIGURES SPEAK FOR THEMSELVES.
